

## Archery

These requirements became effective in 2003 with the publication of a new edition of **Shooting Sports for Cub Scouts, No. 13-550.**

---

**The Archery loop and pin can be awarded only by a certified Cub Scout Archery shooting director.**

**Archery, like BB-gun shooting, is a camp program. Boys can earn archery recognition items only at council/district day camp, resident camp, or council-managed family camping programs.**

**To be a qualified and trained archery range supervisor, adults must take part in an archery supervisor training program conducted by the local council with the help of a National Camping School-certified field sports director or a National Archery Association (NAA) instructor.**

**Although archery programs are not permitted at den and pack activities, leaders can help parents understand the importance of training and encourage attendance of boys at Cub Scout camps that offer this training.**

## Cub Scout Sports for Camp Only

Shooting Sports for Cub Scouts, Webelos Scouts, and Parents in Camp, No. 13-550, has been developed for those who will give guidance to Cub Scouts and Webelos Scouts in learning BB-gun and archery shooting-sports skills while in camp.

**The Archery belt loop and pin can only be awarded by a BSA range-trained shooting-sports director.**

**Cub Scout Shooting Sports Award Certificate**

2. Be able to list and discuss nine points in 'Shooting Techniques.'

**Pro Archer Level**

Shoot five groups (three arrows per group) trying to group each set within a circle the size of the nine-ring. (No specific score is required.)

Then fire for the Pro Archer score.

Level of Recognition	Number of Arrows	Distance	Score
Pro Archer	30	15 feet	30
Archer I	30	20 feet	30
Archer II	30	20 feet	50
Archer III	30	20 feet	100

In Cub Scout archery, the camp awards the certificate when the Cub Scout or Webelos Scout qualifies for the different levels of recognition. It is possible to earn four certificates if every level of marksmanship has been accomplished.
